

PV4w

Next Generation, Ultra High-Capacity Hydration Hub

Experience on-demand chilling, high-capacity, & intuitive features

UNMATCHED CAPACITY

With the largest cold tank on the market, the PV4w offers nearly limitless ice-cold water.

INTUITIVE

The PV4w adapts to your routine by monitoring usage patterns, tracking filter life, and identifying service needs, providing you with peace of mind.

INTERACTIVE USER EXPERIENCE

The 15.4" full-color touchscreen offers customizable options for adjusting dispense speed and volume.

ADVANCED PURIFICATION

Ultra high-capacity multi-stage reverse osmosis with mineral add-back and dual in-tank LED UV lights ensure pure, fresh water every time.
