

# PV12c

## ESPRESSO AND COFFEE SYSTEM

### UNMATCHED RELIABILITY

Fresh whole bean espresso, coffee, or powdered beverages in a proven concept. The PV12c offers a quality product in a compact design.

### GLASS DETECTION

The PV12c is capable of detecting a clear glass cup.

### EASY MAINTENANCE

All parts are effectively placed which allows for easy access when cleaning and servicing the PV12c.

### INNOVATIVE TECHNOLOGY

Remote access tools available.

### BEAN-TO-CUP

Never taste stale coffee again with the PV12c Espresso and Coffee machine. With beans ground on demand, your coffee will stay fresh and flavorful.
